AP STUDENTS

Joining Your AP Class Section

Join your AP[®] courses online, so you can get feedback on your progress and register for AP Exams.

Write your join code(s) here:

Course: _____ Course: _____ Course: _____ Course: _____
Code: _____ Code: _____ Code: _____ Code: _____

SIGN IN
Sign in to apcentral.collegeboard.org with your College Board account. This is the same login you use to access your AP[®] scores, PSAT/NMSQT[®] scores, or register for the SAT[®]. If you don't have a student account, click the **Create Account** link.

JOIN A COURSE
Click the **Join a Course or Exam** button. Before you do this, make sure you have the six-character join code from your teacher. You'll need it to join a class section.

SUBMIT YOUR JOIN CODE
Enter the join code your teacher gave you and click **Submit**.

VERIFY COURSE INFORMATION
Make sure the information that comes up is for the course you're taking. If it is, click **Yes**.

FILL OUT REGISTRATION INFORMATION
When you first join an AP course in My AP, check your registration info and fill in what's missing. To fix your name, middle initial, or birth date, contact AP Services for Students after registering. For other changes you make to your AP Profile, make sure to also update that information in your College Board account.

CONGRATULATIONS!
You're enrolled in your AP courses. If you're taking multiple AP courses, repeat steps 2-4 for each course you're taking this year, using the unique join code for each course.

ACCESS AP CLASSROOM RESOURCES
Now that you're enrolled, click **Go to AP Classroom** to access resources for your course. Click **Assignments** to see assignments from your teacher.

WATCH AP VIDEOS
In AP Classroom, you'll see AP Videos for many of your course topics and skills. Use them to preview, clarify, or review what you're studying in class. You can watch on your own or as assigned by your teacher.

College Board Account Tips
You need a College Board account to join your AP class section, receive AP assignments from your teacher, and register for AP Exams. If you don't already have an account, please sign up at collegeboard.org/register. A family member shouldn't create an account for you. Keep your account information in a safe place only you can access.

DO YOU ALREADY HAVE AN ACCOUNT?
All College Board programs are connected through one account, so if you created one for AP, PSAT/NMSQT, SAT, or BigFuture[®] Opportunity Scholarships, you're all set.

IF YOU HAVE TROUBLE SIGNING IN TO YOUR ACCOUNT
If you can't remember your login information, follow the **Need help signing in?** links at myap.collegeboard.org.

- If a family member set up your account, ask them for the login information. You may want them to sit with you while you sign in.
- If you can't remember the answers to your security questions, see if a family member has them.
